

Paper publications In Journals/ Conferences during AY 19-20

Sr. No.	Title of Paper	Name of Journal / Conference	Name of Author	ISBN/ISSN number	Link of the recognition in UGC enlistment of the Conference
1	Design and Analysis of Microstrip Patch Antenna for WLAN and Vehicular Communications	Progress in Electromagnetic Research C, Vol. 97, pp. 163-176, 2019	Mandar P. Joshi		doi:10.2528/PIERC19090201
2	Hexagonal Slotted Wearable Microstrip Patch Antenna for Body Area Network	IEEE Pune Section International Conference (PuneCon), 2019	Mandar P. Joshi		DOI:10.1109/PuneCon46936.2019.9105773
3	Wearable Right Angle Triangular Microstrip Patch Antenna for MBAN Applications	National Conference on Biomedical Engineering, NCBE-2020	Mandar P. Joshi		
4	Stub Loaded Rectangular Ring Shaped Tri-Band Monopole Antenna for Wireless Applications	International Journal of Advances in Microwave Technology, Vol. 5, Issue 2, pp. 227-233,	Mandar P. Joshi	ISSN: 2456 - 4346	https://www.ijamt.com/uploads/34/7553_pdf.pdf
5	Circularly Polarized Dual Frequency Square Microstrip Patch Antenna	IEEE Indian Conference on Antennas and Propagation (InCAP), 2018	Mandar P. Joshi		DOI:10.1109/INCAP.2018.8770917
